Dear Mr Grace

You were interviewed under caution on 24/01/2012 when you admitted that you had committed a criminal offence because of your income and your partner's income.

After the interview, you were advised that you would be informed what action would be taken on your case.

The Department for Work and Pensions/Local Authority are satisfied that there are sufficient grounds to recommend instituting criminal proceedings against you but on this occasion, we are prepared to consider issuing a caution.

Before this can be done, we need to discuss the matter with you. I would be pleased if you could therefore attend:
