Dear Debbie,

**Dossier on DWP**

I am enclosing a letter from Philip Grace of [REDACTED]  
which is self-explanatory.

Mr Grace sent you a copy of his dossier earlier this year which your office acknowledged. I trust you can reassure him that you will be using information such as this and other evidence you receive to tackle the Government on this unfair system.

Many thanks.

Yours sincerely,

A handwritten signature in black ink that reads "Michael Meacher".
