KNOWLEDGE ADVENTURE CLUB

2016

Loading books from Lae to be transported to Kundiawa. Due to weather conditions, a coaster bus was good enough for the job.

Arriving in Kundiawa from Lae, just after 10 pm and offloading the books.

Transferring load the next day onto a truck to transport to Mai, SSY District. Due to remoteness and road condition, a local driver is the only option to transport the books to the site.

Part of the excited kids offloading books smile for the camera as books arrive on site in Mai Primary School.
