

# **Friends of Huntington Beach State Park Newsletter September 2018**

## **Please Welcome**

Please welcome new members Mike and Phyllis Salowey. If you see them in the Park please give them a hearty welcome and thanks for joining our Friends of Huntington Beach State Park.

## **President's Corner**

As we all know the Atlantic hurricane season officially begins June 1<sup>st</sup> and runs through November 30<sup>th</sup>. While the Atlantic has been quiet it looks like hurricane season is about to arrive here! We should all be prepared to take actions to lessen a storm's impact. The best way to protect yourself and your family is to get your hurricane plans ready, if you haven't already. Once more weather information becomes available the Park gets ready to lessen the impacts of a storm. If help is needed to get the Park ready for any storm event we will send out an email notice to our members.

Your President,  
*Sandra Barnes*
