Bogus caller button

AVAILABLE FOR FRONT AND BACK DOORS

If you are unsure of a caller's identity, press the bogus caller button before opening your door. Once activated, it connects to your monitored alarm & trained operators listen to ensure you are safe. Alternatively, operators can let the caller know that you are not alone. If necessary, they will contact An Garda Síochána or one of your nominated keyholders.

Compatible with full range of Telealarm and Bosch Carephone alarms

LIMITED TIME OFFER: ONE DOOR €50 • TWO DOORS €80
