

„Soft Skills are the real hard facts.“

Wolfgang Bilinski, our expert for Soft Skill development

There are a lot of Soft Skills and all of them help us to improve our work with others – internationally and nationally. We use the most effective and modern ways to train and improve human behaviour in different cultures.

We support your Soft Skill Development and Help you to Benefit:

Communication, Negotiation and Sales

Reduce misunderstandings and human friction losses, become an excellent negotiator who is able to deal with different cultures and improve your skills to sell yourself, your ideas or your products.

Presentation Skills and Rhetorics

Reflect your abilities on „the stage“. Know how to design a presentation or a speech, how to convince with your arguments and how to use your body language as well as your voice.

Leadership and Team Development

Improve your team leadership and learn to manage international teams. Reflect your behaviour as a leader and enlarge your personal power to influence others by building up natural authority.

Time Management and Self Management

Manage your time and get your things done. Reflect yourself, prioritize your work and know how to schedule your projects. This will help you to be a good and long-term business partner and to reduce your own stress, which has an link to your health and your life comfort.

Innovation and Problem Solving

Be able do identify and analyze a problem and develop ideas for the solution. Know techniques to generate ideas and learn how to guide a group through this process.
