Check out my website for all the lesson print outs and upcoming meeting dates:

The cool thing about our bible study is:

1. Open to all women all ages.
2. Not a lot of homework.
3. Not overwhelming study - easy to understand.
4. Great bible study for a new Christian or someone who is just starting out and learning how to read and study Gods Word.
5. We are praying about having a second home open up on a Saturday for those of you that work during the week. We will keep you posted on this when we know more.

**The Bible Study below is being held on Thursdays at 9:30 am until about 11:00 am.**

**Place:** Teresa Whittelsey's home in Castroville at Creekside Subdivision down the street from Bill Millers: 346 Private Road 4703 Castroville, Tx. 78006

**One other note:** I do have Wednesdays at 1:00 PM open twice a week in Castroville at McD's. Location will be subject to change and will keep you posted. So there are several opportunities to join us.

We have fellowship, prayer, hugs, laughs, tears, JOY and Jesus!! We are learning the Word and walking as Christ Followers and His Disciples.
