

SAFEGUARDING & WELFARE REQUIREMENT: STAFF QUALIFICATIONS, TRAINING, SUPPORT & SKILLS

3.2 First Aid

Policy Statement

At St John's Playtime Pre-school, our staff are able to take action to apply first aid treatment in the event of an accident involving a child or adult. **All** member of our staff hold a current paediatric first aid certificate which is renewed every 3 years and refreshed within setting (including any updates) on a regular basis. Newly qualified staff who achieved an early years qualification at level 2 or 3 on or after 30 June 2016 also have a paediatric first aid certificate in order to be counted in the adult:child ratios. The first aid qualification includes first aid training for infants and young children. We have evidence of due diligence when choosing first aid training and ensure that it is relevant to adults caring for young children.
