

SAFEGUARDING & WELFARE REQUIREMENT: EQUAL OPPORTUNITIES

9.2 Supporting Children with Special Educational Needs

Policy Statement

At St John's Playtime Pre-school we provide an environment in which all children, including those with special educational needs (SEN), are supported to reach their full potential.

- We have regard for the Special Educational Needs Code of Practice (2014).
- We ensure our provision is inclusive to all children with special educational needs.
- We have in place a clear approach for identifying, responding to, and meeting children's SEN (including disabled children with SEN).
- We support and involve parents (and where relevant children), actively listening to, and acting on their wishes and concerns.
- We work in partnership with the local authority and other external agencies to ensure the best outcomes for children with SEN and their families.
- We regularly monitor and review our policy, practice and provision and, if necessary, make adjustments.

Procedures

- We designate a member of staff to be the Special Educational Needs Co-ordinator (SENCO) and give his/her name to parents. Our SENCO is:

Megan Blanchard

- The SENCO works closely with the Deputy SENCO, our Manager and other colleagues and has responsibility for the day-to-day operation of our Supporting Children with Special Educational Needs Policy and for co-ordinating provision for children with SEN.
- We ensure that the provision for children with SEN is the responsibility of all members of the setting.
- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We provide a broad, balanced and differentiated curriculum for all children.
- We apply SEN support to ensure early identification of children with SEN.
- We use the graduated approach system (access, plan, do and review) applied in increasing detail and frequency to ensure that children progress.
- We work closely with the parents of children with SEN to create and maintain a positive partnership and ensure that parents are involved at all stages of the assessment, planning, provision and review of their children's special education including all decision making processes.

- We ensure that children with SEN are appropriately involved at all stages of the graduated approach, taking into account their levels of ability.
- We provide parents with information on local sources of support and advice e.g. Local Offer, Information, Advice and Support Service.
- We liaise with other professionals involved with children with SEN and their families, including in connection with transfer arrangements to other settings and schools.
- We use a system of planning, implementing, monitoring, evaluating and reviewing individual educational plans (IEPs) for children with SEN.
- We have systems in place for referring children for further assessment e.g. Common Assessment Framework/Early Help Assessment and Education, Health and Care (EHC) assessment.
- We use a system for keeping records of the assessment, planning, provision and review for children with SEN.
- We provide resources (human and financial) to implement our Supporting Children with Special Educational Needs Policy.
- We provide in-service training for parents, practitioners and volunteers.
- We raise awareness of any specialism the setting has to offer, e.g. Makaton trained staff.
- We ensure the effectiveness of our special educational needs provision by collecting information from a range of sources e.g. IEP reviews, staff and management meetings, parental and external agency's views, inspections and complaints. This information is collated, evaluated and reviewed annually.
- We provide a complaints procedure.
- We monitor and review our policy annually.
