

SAFEGUARDING & WELFARE REQUIREMENT: SAFETY & SUITABILITY OF PREMISES, ENVIRONMENT & EQUIPMENT

8.3 Supervision of Children on Outings & Visits

Policy Statement

Children benefit from being taken out of the setting to go on visits or trips to local parks, or other suitable venues, for activities which enhance their learning experiences. All staff in our setting ensure that there are procedures to keep children safe on outings; all staff and volunteers are aware of and follow the procedures as laid out below.

Procedures

- We ask parents to sign a general consent on registration for their children to be taken out on local short outings as part of the daily activities of our setting. This general consent details the venues used for daily activities.
- We carry out a risk assessment for each venue, which is reviewed regularly.
- Parents are always asked to sign specific consent forms before major outings.
- A risk assessment is carried out before a major outing takes place.
- All venue risk assessments are made available for parents to see.
- Our adult to child ratio is high, normally one adult to two children, depending on their age, sensibility and the type of venue, as well as how it is to be reached.
- A minimum of two staff accompany children on outings and a minimum of two remain behind with the rest of the children.
- Named children are assigned to individual staff to ensure that each child is well supervised, that no child goes astray and that there is no unauthorised access to children.
- Parents who accompany their child/children on an outing, such as the summer trip, are responsible for their child only.
- Outings are recorded in an outings record book kept in the setting, stating:
 - The date and time of the outing.
 - The venue and mode of transport used.
 - The names of the staff members assigned to each of the children.
 - The time of return.
- Staff take a mobile phone on outings, as well as supplies of tissues, wipes, spare clothing and nappies, medicines required for individual children, a mini first aid kit, snacks and water. The amount of equipment will vary and be consistent with the venue and the number of children, as well as how long

they will be out for. We apply sun-cream to children as needed and ensure they are dressed appropriately for the type of outing and weather conditions.

- Staff take a list of children with them with contact numbers of parents/carers, as well as an accident book and a copy of our Missing Child Policy.
- Records are kept of the vehicles used to transport children, with named drivers and appropriate insurance cover.
- Where private transport has been arranged we will ensure that the contracted drivers are from a reputable company, do not have unsupervised access to the children and are not included in the ratios. We will also ensure that seat belts are worn whilst travelling in such vehicles where applicable.
- As a precaution, we will also advise that children do not eat when travelling in vehicles.
