

# The Watermill *at Posara*

A special week-long course  
in watercolours and drawing with

**Ted Dansey**

**Saturday 26 June to Saturday 3 July 2021**

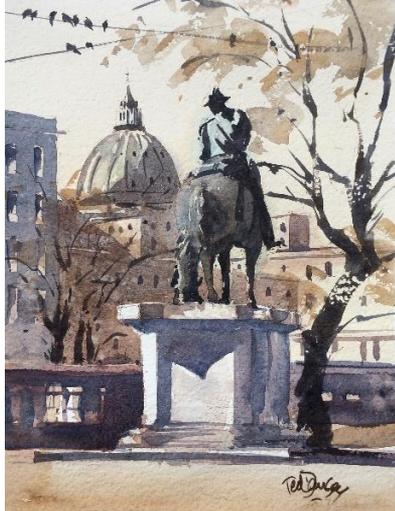

For centuries artists have drawn their inspiration from the Tuscan landscape and you could find few better places to enjoy your art and improve your skills than our beautiful historic watermill, set beside a river in a gentle valley.

*“An enchanting place - I really loved it, endless delightful subjects to paint.”*

*“We’ve been on many painting holidays, but this was the best ever.”*

You will stay in stylish bedrooms in elegant buildings around the sunlit courtyard. You’ll take leisurely breakfasts and mouth-watering evening meals in our new courtyard dining room (and also dine out in nearby restaurants to sample traditional dishes and local wines). The mill’s gardens, secluded millstream paths and riverside walks are all yours to enjoy.

## Your tutor: Ted Dansey

**Ted Dansey**, from Melbourne in Australia, has been painting in watercolours for more than 30 years. He believes a painting should be honest and reflect our personality.

He says: *“My course at the Watermill will look at the importance of the sketchbook and in planning your work. You will learn to break down complex subjects, simplifying and eliminating the unnecessary. You’ll learn to ‘see’ the image and paint the feeling, while keeping it simple.”*

One of Ted’s previous students says: *“Ted is a very good teacher, so encouraging, so skilful, so helpful and extraordinarily patient. And when he demonstrates it’s like watching magic!”*

**Everything** is included in the cost of your holiday at the watermill: tuition, accommodation, pre-dinner aperitifs, all meals and wines (including outings to charming local restaurants) and all local transportation.

**Details of all our 2021 sun-filled, fun-filled painting holidays will not be up on our website until September 2020 (but you CAN book now!) To find out more what we do, please visit <https://watermill.net/>. (Just type watermill.net into your search engine.)**
