To whom it may concern,

Superb Flooring systems are the sole distributor of HTC Professional Floor Systems in Southern Africa. We certify our contractors after they have completed thousands of square metres of HTC Superfloor™

Fulcrum Flooring has been one of our top HTC Certified clients for over 7 years, and have mastered and completed over 100 000 m² of HTC Superfloor™

They have many HTC machines and dust extractors to tackle any size project.

Should you require further information, please do not hesitate to contact me.

Kind regards,

Vanessa Hammond
