

## **Important Notification** **Amendement**

Dear Partner,

We would like to send the following update and instructions for your clients regarding the Corona virus.

The Israel Ministry of the Interior, in consultation with the Israeli Ministry of Health, has implemented new restrictions regarding foreign citizens who wish to enter Israel.

1) **Italian Tourists** who arrived in Israel prior to February 26, 2020 at 24:00, can continue their visit in the country with no restrictions.

2) **Italian Tourists** who plan their arrival as of February 27, 2020, will be required to voluntarily enter isolation, or they will not be allowed to enter the country.

3) All tourists arriving in Israel (regardless to nationality), who visited one of the below countries 14 days prior to arrival in Israel, will not be allowed to enter the country, and will be sent back to their homeland immediately:

- **China, Hong- Kong, Thailand, Singapore, Japan, South Korea, Macau and Italy**

4) Tourists who arrived in Israel from **Australia and Taiwan**, are requested to be aware of any symptoms (fever, etc.). In case of symptoms, tourists are requested to report to the authorities, and will be asked to remain in isolation. If tourists have no symptoms, they'll be allowed to continue their visit without any restriction.

**5) Tourists arriving in Israel from all destinations, except for China, through a connecting flight, will be allowed in Israel with no restrictions.**

We thank you for your understanding and hope that all will return to normal very soon.
