

Thursday 24th May is polling day

Please use your vote to re-elect

Philip Harding X

"It has been a pleasure and a privilege to represent Edgeley and Cheadle Heath Ward for the last 15 years. I very much value the support of local residents which is never taken for granted. I hope you will feel able to give me your support again on the 24th May".

Polls open 7am to 10pm

£1 million to deal with Stockport's appalling pot-holed roads!

Philip Harding said "*Stockport's Labour-led Council has listened to residents who, quite rightly, are appalled by the state of our roads*". Using some of the Council's reserves to deal with the backlog of repairs caused by the recent very bad winter this investment will not only give Stockport residents and visitors safer roads but will save the Council money from claims and maintenance by preventing the damage caused getting worse and costing more to repair.

We promised to improve road safety

Plans have been approved for increasing road safety around Alexandra Park Primary School and Lark Hill Primary School. Traffic Regulation Orders will be implemented to stop dangerous parking and signage will be improved. Cheadle Heath Primary School took part in the Eagle Eye training delivered by the Council's Road Safety Team and also the Bikeability Safety training. A mobile camera car is being used to enforce parking restrictions and tickets issued have risen from 42 in 2014 to 227 in 2017.

"The safety of children going to and from school is paramount" said Philip Harding "and all these measures are aimed at making sure this happens".

Results from the 2016 local election in Edgeley and Cheadle Heath

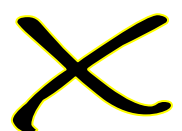

We don't just appear at election time and ask for your vote, we work hard all year round to earn it!

Some Labour Manifesto pledges for 2018/2019

* We want to prioritise public transport and work with GM Combined Authority partners to bring Metrolink to Cheadle, Marple & Stockport.

* Through Viaduct Housing Partnership, set up by Labour, we commit to building 600 affordable homes over the next two years.

* There will be no car parking charge increases between 2019 and 2021.

* We will trial free public Wifi Access in our district centres from 2018/19, beginning with Edgeley, Moor Top, and Bramhall.

Springmount Mill, Northgate Road update

Completion of the demolition of the building that borders Brinksway unfortunately means that Brinksway will have to close from 26th May 2018 for 6 days, with alternative routes being identified as Edgeley Road > Mercian Way > Shaw Heath > King St W > A5145 and vice versa. *"I have asked for the work to be done as quickly as possible so that the road is re-opened as soon as possible"* said Philip Harding. *"We are hoping it will take less than the 6 days that have been planned"*.

Your Edgeley and Cheadle Heath Labour Team

"I hope you will vote for the **only** candidate with a proven track record of hard work, commitment and determination to resolve problems, fight for local people and stand up for Edgeley and Cheadle Heath. I can't guarantee I will always succeed, **but I can guarantee I will always try"**. Philip

More police needed!

We know that local residents are concerned about crime and we are pleased that the new GM Mayor, Andy Burnham, is increasing police numbers. Locally, we have arranged and attended residents' meetings in Cheadle Heath and Edgeley to raise issues directly with the Police, have arranged for three CCTV cameras to be installed, two in Cheadle Heath and one in Alexandra Park. Operation Barometer has been set up by the Police to target anti-social behaviour and criminal activity.

Philip Harding said *"People need to feel safe in their homes and in the community. If they don't there's something badly wrong. We are lobbying to make sure some of these extra police officers come to the Edgeley and Cheadle Heath"*.

Vote Labour on 24th May

So we can continue to get things done for Edgeley & Cheadle Heath

We have 23 Stockport Labour Councillors

Let's make it 24 on the 24th!

Labour propose funding for Castle Street review

LibDems voted against a Labour proposal for a thorough review of Castle Street to see what can and must be done to regenerate this important local shopping centre. Fortunately we had just enough Labour Councillors to vote this through.

LibDem plans for Stockport Market scrapped!

On day one when we formed a new Council administration on 24th May 2016 Labour scrapped controversial Lib Dem plans to relocate Stockport Market

"What the LibDems were proposing would have broken up the market and moved it from its historical location. Stopping this happening was essential for the future of the market and important Underbanks area of Stockport's Old Town". said Philip Harding.
