

Established in 1975 the Branford Chorale is a non-audition, non-profit community music group. The Branford Chorale is a choral group whose 60+ members come from Branford and the surrounding Shoreline communities.

We are known for being a joyful group making entertaining and vocally excellent music. Dedicated to the performance of a wide variety of music including pop, folk, spiritual, jazz, Broadway, the standards, world and holiday music. The Chorale presents works by the finest choral composers and arrangers, accompanied by some of our area's best musicians.

After producing 80+ concerts over 43 years our mission is stronger than ever, make music accessible to everyone! Creating the opportunity for adults to learn, grow and express themselves through song produces elation, alleviation of stress, and a common bond leading to a heartening camaraderie. Group singing enriches the lives of people in our community and it is by the support of generous donors that keeps this beautiful art form alive and thriving.

The Branford Chorale offers two major concerts a year and is a part of the Branford Festival. We also participate in other community events which lift spirits and provide hope through song. Going into our Winter 2019 season we are lucky to have a talented and energetic artistic leader. Our Chorale's Director, Nick Filippides created and conducted our 2018 season and Spring 2019 concert. Nick's talent, positivity, artistic choices as well as the company of truly fun people makes the Branford Chorale an incredible group to be involved with.

The Branford Chorale hopes you will consider sponsorship to help support us and the arts in our community. We invite you to look over our sponsorship levels on the backside of this page. We offer Gold, Silver and Bronze tiers which include a wide variety of advantages for your company or family. We hope you will join us in enriching our community with music and the joy of choral singing.
