Internal Appeals RI/55/10, 181/08

Dear Ms Koch,

Please be informed that the opinions of the Internal Appeals Committee (IAC) in the aforementioned cases have been duly considered. Copies thereof are attached.

I would like to inform you of the decision I have taken, by delegation of power from the President of the Office, as follows:

RI/55/10

In accordance with the majority opinion of the Appeals Committee, I have decided to reject your main claim for withdrawal of the contested formal notification under Circular No 246 as irreceivable *ratione materiae*. The recent case law (ILOAT J. No. 3198) on the matter is unambiguous and consistent. Likewise, the Office herewith rejects as irreceivable *ratione materiae* your request to be protected from all future mobbing and harassment at work. Furthermore, in accordance with the majority opinion your claims for financial compensation are herewith rejected as irreceivable and unfounded. All other claims are rejected in accordance with the Appeals Committee's unanimous opinion.

RI/181/08

The Office has decided to endorse the unanimous recommendation of the Appeals Committee and to refer the report back to the reporting officer to amend it according to the correct reporting period (01.02.2007 – 31.12.2007). All your

Yours sincerely,
