

Saturday February 6th

10 AM - 12 NOON

ONLY TOGETHER WE CAN STOP ABORTION UP TO BIRTH IN SA

3 Important Updates

Number One: Walk information & Covid directives.

Under the disguise of 'decriminalisation' the Termination of Pregnancy 2020 Bill PASSED the Upper House of Parliament in December. It is now in the Lower House where your local MP will make their conscience vote in February 2021. SA Health requires Covid Safe Registration for events, you can register now at the Walk.

Number Two: We can't do this without you!

We need your help to make this event compliant with government directives. We are looking for enthusiastic volunteers who can support the event coordinators at the Walk. We require volunteers to be over 18 years old and be able to commit to 4 hours on the day.

Number Three: Prayer

And by no means last, the most important action, **PRAYER.**

Please join us in a time of prayer and fasting January 1st to February 6th 2021. 37 days of mercy to petition heaven in the form of daily prayer sent to your inbox.

Please share with church family and friends.
