COVID -19

Important Announcement - LOCKDOWN 2

The Bowling Club Committee have decided to close the Clubhouse and grounds for the second time this year, WITH IMMEDIATE EFFECT. (i.e from Sunday, November 1st)

The Winter Pairs league will be suspended until we are able to, once again, allow at least six members into the Clubhouse at any one time.

The Monday and Friday night beginner's coaching evenings are now stopped until safe to continue, and ALL roll-ups are now forbidden until further notice.

Winter Indoor Pairs Table – week ending 1st November 2020

Unfortunately, this will be the last league table for a while, as the indoor pairs competition has been suspended until further notice. Only two teams remain unbeaten at this stage but everyone has now won at least one game.
