Dear Mr & Mrs Jessop

I am writing to thank you for your kind donation of £766 raised at the UK Buell Enthusiasts Group's annual event. Your gift has been allocated to the Cystic Fibrosis Charitable Fund-P8509 accordance with your wishes.

We hope it gives you comfort to know that your donation to honour the memory of Emma will allow us to continue to provide a high level of care to the patients of Royal Papworth Hospital now and in the future, as well as assisting patients families and our staff.

Your donation helps to provide additional amenities for our patients and their families within the Cystic Fibrosis Unit, and provides extra training and educational opportunities for our staff. The Cystic Fibrosis fund also enables important new research which is seeking to find new ways of treating and in the future hopefully curing Cystic Fibrosis. A recent example of how Papworth Hospital Charity has supported the Cystic Fibrosis Services is with the funding of a dedicated Cystic Fibrosis research nurse to assist on clinical trials. Without funding provided to Papworth Hospital Charity this would not be possible.

We are so grateful for your support, it is greatly appreciated by everyone at Royal Papworth Hospital and will enable us to continue to move forwards as a globally renowned centre of excellence, delivering the best possible care and treatment for our patients.

Yours sincerely,

Hannah Wagstaff
Charity Admin Assistant
