

The Resume of The Prophecy of celebrations & blessings 19th January 2020.

UNDER EDITING

Praise THE LORD, MY LORDS, THE MIGHTIEST, MIGHTIEST, PROPHETS OF THE LORD,

Amen, senior pastor Gertrude together with Joan. Am I live on air here now? MY LORDS, YOU are live on air, please, MY LORDS.

Well, blessed people. I know that you are assembled at your respective joint services. And I just wanted to bless you, wherever you are meeting from & also to bring this to you that THE LORD has spoken with me again about The Very, Very Mega, Healing Anointing, that is going to hit this land. There is a very, very Big Healing Anointing that will hit this land. I am aware that the church are tuned in & celebrating globally. I have received from China, the celebrations they have had on there in China on the Visitation of The Mighty, Mighty Cloud of GOD ALLMIGHTY, the day JEHOVAH YAHWEH Visited me in Kisumu, when I came live before the nations of the earth & called upon THE LORD, THE GOD of Israel, to come & Visit me in Kisumu.

These are tremendous times that such a thing can happen, that there can be such a moment in the church, when someone steps forward & says that JEHOVAH come from Heaven & Visit Them where They are ministering in Kisumu. And we saw The Mega, Mega, Mega Cloud, The Astronomical, The Superglorious Cloud of JEHOVAH that came all the way from Heaven & settled over the tent of THE LORD, the tent of the Meeting in Kisumu where THE TWO PROPHETS of Heaven where ministering.

So, this is a very special time, a unique time in the history of the church, the church of CHRIST, the entire life of the church, because THE LORD has not only repeated Bible, The Bible is repeating itself, THE LIVING GOD of Israel, THE GOD of Heaven, THE CREATOR of Heaven, THE ONE that takes people to Heaven, HE has now come & HE is repeating The Bible but in a very, very shocking way because of the time we are in & the closeness in which we are operating the closeness, at which we are operating towards The Glorious coming of THE MESSIAH.

Now I have called you all to bless you in your joint-services wherever you are in The Mighty Name of JESUS! I have blessed you all everywhere. I know that Nairobi, huge, senior pastor Hilda & Lydia is about to reach there & start to give live broadcast from there & I know there are correspondents from all over. We are beginning to give live broadcast through out from now until 7 PM (EAT) un the events that unfolds at the joint celebration services & also the processions that is going to take place across the nation of Kenya.

I am aware that South-Sudan is also assembled & celebrating the Visitation of The Cloud of YAHWEH. I am aware that Uganda is celebrating & many nations, those that listen to The Voice of THE LORD, those that care about their eternity at this hour. And many, many nations across the world. Australia already had celebrations ongoing. I also know that Singapore, but I have seen China. I have seen China, their celebrations and they sat in their small churches there & send their pictures of their celebrations.

This is a very, very shocking time & a very, very important time in the history of the church. We all know that these are the events that actually define the coming of THE MESSIAH. And Prophecy, the Bible Prophecy is so critical. THE LORD privileged the church with Bible Prophecy. HE gave the church such a love, a loving ear, a loving attention, when HE gave Prophecy.

So, the Bible Prophecy in the Book of Revelation, Bible Prophecy is to help you blessed people, to know when THE MESSIAH will return. And you see now at this time as we speak now Bible Prophecy has been realized. And HE has brought THE TWO PROPHETS of The Book of Revelation who are operating here & They are bringing to completion Bible Prophecy. For example, when the Bible talks about The Latter Glory, The Massive Latter Visitation that will take place in the end days, in the days before the coming of THE MESSIAH.

Now you understand. The Bible essentially meant that GOD THE FATHER HIMSELF would descend from Heaven & Visit HIS Messengers here. And that will be some iconic. That will be an icon of the hour. It will speak so much to the souls of men, the hearts of men.

And so, I know that this year THE LORD is begin to launching THE TWO PROPHETS to the nations of the earth & right now They have spoken about the Latin-America. They have spoken about how They miss to go back to Latin-America, how they used to tie their luggage on the top of the taxi and travel long distances from Guerrero Mexico to Mohaka, to Apizaco, Tlaxcala & to Villahermosa, to Ciudad Mexico to Puebla, to all these towns, going to Puerto Plata & all the way to Santiago in the Dominican Republic, all the way to Higüey, to Santiago de Chile all the way to Concepcion, all the way to Valparaiso everywhere!

They have spoken so clearly, how now the heart of THE LORD longs to bring them back there, to beginning Their Mission because the Anointing is greater now, The Visitation is greater. But as I think it makes it more complicated now, that it was at that time, because the way THE LORD navigates its mission.

But for now, Kenya has been Visited in the most mega way in the most historic manner, in a very, very shocking way.

THE LORD has Visited this land in the most outstanding manner never seen in the entire history of the Bible. The Prophet of THE LORD that was promised in the book of Malaki, has walked in your eyes with a Tall Pillar, Living Pillar of The Cloud of GOD, coming all the way from Heaven through the sun & settling on the Crown of HIS Head & ministering to you that Pillar in on HIS Head, point on HIM from left & right. That is a wonder!

And now the ultimate Visitation of The Cloud of GOD is in Kisumu. So today I really want you in The Mighty Name of JESUS to celebrate to the climax. The big disposition of love, that THE LORD has shown this church. And off course the other churches reaching other nations, but I am now talking about this nation, this nation. Everything has happened in this land. Very big! Very massive! Very historic! This is an astronomical moment in the church! The Neutronstars, They have shaken them, pushed The Neutronstars with Their Left Prophetic Hand, 520 million light years away up there in space to the greatest detail, with sharpest detail.

The sun, They have shut down the sun at Their Word. This is a very an astronomical moment, a historic time in the church. But look at the ultimate now! GOD THE FATHER coming now to navigate the church of CHRIST into the Glorious Kingdom of MESSIAH, The Kingdom of GOD ALLMIGHTY in Heaven, The Kingdom of YAHWEH. What a beautiful time! This is the best time to be a Christian! We are soon going home! That is The Message!

THE LORD is saying The Message HIS Servants has been giving HE approve! That yes very soon the church will go! And yes, it's very true, that those who does not listen to Them will go to hell. Yes, it's true, that those who have attempted to blackmail them, by email or what must go to hell, must, unless a New Bible is written! This is a shocking time! This is an awesome time to be a Christian!

And so, wherever you are gathered, I see at Nairobi at Central park, and I said senior pastor Hilda & Lydia is about to make their way. They are about to reach there. They have not reached there. They are about to making their way there & giving live broadcast, live speech from there. And we have correspondents all over, Afraim stadium, all the way in Nanyuki, in Meru, Mombasa, where, everywhere, Kitale, Kakamega everywhere.

And so, this is a powerful time. Today, if there is a day to celebrate THE LORD, this day has come! That day is today! Because HE chose you! HE didn't Visit anywhere else! And

then HE showed me a Tremendous Healing Anointing that HE has poured on HIS Servants again. Today, today here, this morning!

And so, it is one love upon another, additional grace & love & love & grace! THE MESSIAH is coming! You must celebrate the Visitation of THE LORD GOD, GOD THE FATHER! This day, to mark this celebration, is a very important day! You are celebrating YAHWEH, The Visitation of YAHWEH! That JEHOVAH YAHWEH, THE LORD YAHWEH has remembered you! HE was so mindful of you, and HE came to you & HE left many nations! HE was so mindful & so loving on you that HE came to you! That is powerful!

You will celebrate today everywhere! In the streets everybody must know that OUR GOD is Visiting, that OUR GOD is a LIVING GOD! When you call upon HIM, HE comes in a Swift Cloud, to how swift HE did in Kisumu, so swift when Isaiah said in Isaiah 19:1, in The Swift Cloud, surely so swift.

THE GOD on time! HE is just on time to prepare you for the Kingdom of GOD and that means this is the hour for obedience. And this hour also requires humility in your lives, that THE LORD may not say you are arrogant. Humility! But most importantly, let everybody celebrate to the max, to climax today! Let it sing all over the entire earth! Let everybody worship THE LORD JEHOVAH! Let everybody sing unto HIM, celebrate This Visitation, to prepare for the coming of JESUS & to be holy & to put your focus on the coming of THE MESSIAH!

It's a mighty day, a special day! THE LORD JEHOVAH MY FRIEND has come! HE came to me! And so, we are going to sing:

**IT IS WELL; EEH, EEEH, EEEH
IT IS WELL
MUNGU WETU, MUNGU WA NABII, JEHOVAH
AMESHUKA KWA WINGU
NA SASA TUNASEMA ASANTE
EEEH**

It's going to run over here! Everybody must know, they must know that JEHOVAH has come! All the other gods are idols! They are useless gods! They never answer!

And so I BLESS YOU & BLESS YOU ETERNALLY TODAY! I BLESS YOUR PROVISION! I BLESS YOUR HEALTH! I BLESS YOUR HEALING! I BLESS YOUR LIFE! I BLESS YOUR CHILDREN! I BLESS YOUR JOB! I BLESS YOUR PROMOTION! I BLESS YOUR STUDIES! I BLESS YOU, those who are sick & in

those hospitals, I BLESS YOU HEALING ALSO, YOUR PARENTS, YOUR FAMILIES, YOUR CHILDREN in the Mighty Name of JESUS! I BLESS YOU!

THE MESSIAH is coming! Let all these celebrations be used to prepare the way for The Glorious coming of THE MESSIAH! THE KING is coming! And this is just the beginning of the celebrations, because we are going to observe, a special day for national celebration. A special day must be observed!

I know that Kenya must observe a national day of repentance. This Prophet has struck the land, with locusts in the most historic, biblical way. But you see that judgment & Revival they enter at the same time as I said 14, 15 years ago.

Those of you on the side of GOD, I bless you eternally today! So, I declare these celebrations, open, that you may celebrate JEHOVAH, that is enthroned in Heaven! HE will see you celebrate HIM, you recognize HIM! You have recognized The Day of HIS Visitation! That HE remembered you, HE thought well about you! HE thought merciful about you! HE was so gracious to you! HE remembered you & HE came to Visit you in this modern age, eyh! Like HE did in the ancient days of the Bible. HE did not come to DBN! HE did not come to daystar TV! HE did not come to aspiration TV! HE did not come to GOD TV! HE did not come to any other churches, other dominations! HE come here! HALLELUJAH! JESUS is LORD!

THE MESSIAH is coming! I bless you & I declare your celebrations open now! Todah shalom! “Hacha meah” in Hebrew!
