

OPEN

BUT:-

All playground visitors are encouraged to note and follow the guidance outlined.

- The play equipment is checked regularly for damage and wear and tear, **but is not sanitised or disinfected.**
- The play equipment is shared equipment, with use and the users own risk.
- Parents and carers should encourage children not to put their mouths on equipment and to avoid touching their faces
- .
- To help support social distancing, parents or carers are asked to follow the limit of one adult per accompanying a child.
- Follow the current social distance guidelines when visiting, with parents and carers encouraging children to do the same. You **must** maintain social distancing from others unless they are from the same household.
- Some equipment can only be used by one child at a time while social distancing. Please ensure your family waits at a safe distance if the equipment is in use or return later to use the equipment.
- If the playground is busy, consider coming back at a later time. Talk to your children about this possibility before visiting.
- Visitors are encouraged to wash their hands, with hand sanitiser if needed, regularly and as a minimum before and after using the playground.
- The equipment should not be used if a member of the household has coronavirus symptoms, or if someone is self-isolating.
- Children should not use this equipment if they are clinically or extremely clinically vulnerable.
- If disposable masks, face coverings or gloves etc are worn, they should be disposed by placing in a litter bin or taken home. Littering is not acceptable.
- Wash your hands when you get home for 20 seconds using soap and water.
