

THIS VOLUME IS DEDICATED TO BENITO C. TAN (1944–2016),  
THE MASTER OF SOUTHEAST ASIATIC BRYOFLOTA  
AND THE FAMILY SEMATOPHYLLACEAE

## CONTENTS

### Bryophyte flora of the Huon Peninsula, Papua New Guinea

Tan, B.C., Koponen, T. & Norris, D.H. 2017: Bryophyte flora of the Huon Peninsula, Papua New Guinea. LXXVII. Sematophyllaceae (Musci) 3. *Macrohymenium*, *Mastopoma*, *Rhaphidorrhynchium*, *Sematophyllum*, *Trismegistia* and *Warburgiella*, with a key to the genera and a checklist of the taxa. – *Acta Bryolichenologica Asiatica* 7: 3–70.

### Bryophyte flora of Hunan Province, China

- Piippo, S. 2017a: Bryophyte flora of the Hunan Province, China. 21. Makinoaceae, Pallaviciniaceae and Pelliaceae (Hepaticae, Jungermanniopsida). – *Acta Bryolichenologica Asiatica* 7: 71–80
- Piippo, S. 2017b: Bryophyte flora of the Hunan Province, China. 22. Families Lepidoziaceae and Pseudolepicoleaceae and additions to Cephaloziaceae and Cephaloziellaceae (Hepaticae, Jungermanniopsida). – *Acta Bryolichenologica Asiatica* 7: 81–91
- Piippo, S. 2017c: Bryophyte flora of the Hunan Province, China. 23. Trichocoleaceae and Neotrichocoleaceae (Hepaticae, Jungermanniopsida). – *Acta Bryolichenologica Asiatica* 7: 93–98
- Sollman, P. & Koponen, T. 2017: Bryophyte flora of Hunan Province, China. 24. Pottiaceae (Musci). – *Acta Bryolichenologica Asiatica* 7: 99–146
- Enroth, J. & Koponen, T. 2017: Bryophyte flora of Hunan Province, China. 25. Neckeraceae and Miyabeaceae (Musci). – *Acta Bryolichenologica Asiatica* 7: 147–176
- Tan, B.C. & Koponen, T. 2017: Bryophyte flora of Hunan Province, China. 25. Sematophyllaceae (Musci). – *Acta Bryolichenologica Asiatica* 7: 177–203

### A synopsis of Mniaceae (Bryophyta)

Koponen, T. 2017: A synopsis of the Mniaceae (Bryophyta) X. Melanesian taxa, with a world list of the taxa in Mniaceae. – *Acta Bryolichenologica Asiatica* 7: 205–227.
