

CONTENTS

Bryophyte flora of the Huon Peninsula, Papua New Guinea

- Norris, D.H., Koponen, T. & Shevock, J.R., 2014: Bryophyte flora of the Huon Peninsula, Papua New Guinea. LXXV. *Bryomaltaea*, *Codonoblepharon* and *Zygodon* with comments on *Leptodontiopsis* and *Orthotrichum* (Orthotrichaceae, Musci), **Abstract 1**
- Piippo, S., Mamontov, Y. & Potemkin, A. 2014: Bryophyte flora of the Huon Peninsula, Papua New Guinea. LXXVI. *Conoscyphus koponenii*, *spec. nov.* (Hepaticae, Geocalyceae), **Abstract 2**

Bryophyte flora of Hunan Province, China

- Koponen, T., Enroth, J., He, X. & Piippo, S. 2014: Bryophyte flora of Hunan Province, China. 17. Excursions to Badagongshan, Daweishan, Shunhuangshan and Yunshan Nature Reserves in 2000 and 2001; description of collecting areas and localities, **Abstract 3**
- Koponen, T. 2014: Bryophyte flora of Hunan Province, China. 18. Mniaceae subfam. Mnioideae (Musci), **Abstract 4**
- Piippo, S. 2014: Bryophyte flora of Hunan Province. 19. *Plicanthus* and *Tetralophozia* (Hepaticae, Chandonanthoideae and Jungermanniaceae), **Abstract 5**
- Piippo, S. & Koponen, T. 2014: Bryophyte flora of the Hunan Province. 20. Anthocerotae and additions to complex thalloids (Hepaticae), **Abstract 6**

A synopsis of Mniaceae (Bryophyta)

- Koponen, T. 2014: A synopsis of Mniaceae (Bryophyta). IX. Taxonomy, habitats, substrates and ranges of the species of *Rhizomnium*, **Abstract 7**

Miscellaneous notes on the Mniaceae (Bryophyta)

- Koponen, T. 2014: Miscellaneous notes on the Mniaceae (Bryophyta). XVII. Rejecting old or doubtful records: *Plagiomnium cuspidatum*, *P. medium*, *P. rostratum*, *P. venustum*, *P. vesicatum* and *P. acutum* in China, **Abstract 8**
- Koponen, T. 2014: Miscellaneous notes on the Mniaceae (Bryophyta). XVIII. *Plagiomnium ellipticum* in Japan, **Abstract 9**

Notes on *Philonotis* (Bartramiaceae, Musci)

- Koponen, T. 2014: Notes on *Philonotis* (Bartramiaceae, Musci). 13. Status of *Philonotis minutifolia*, *P. pilifera*, *P. seriata* var. *persica*, *P. tjibodensis*, *P. treubii* and *P. turneriana* var. *robusta*, **Abstract 10**

Miscellanea

- Ma, W.-Z., Shevock, J.R. & Enroth, J. 2014: Rediscovery of the monospecific moss genus *Cyptodontopsis* (Cryphaeaceae) in China: a species restricted to flood plain habitats, **Abstract 11**
- Koponen, T., Piippo, S. & Enroth, J. 2014: Principles of checklists. Revised version, **Abstract 12**
