

FESTIVAL MAKEL LOS - SANSTACHE 2021 REPUBLIC OF KOREA, KOJEDO AIKWANGWON *October 14th-18th 2021*

The 5th edition of the Festival Makel los – Sans Tache (www.fondation-paix21.ch/439133336) will take place in South Korea, following its previous editions in Germany, Switzerland, China and Hungary. The co-founder (with Mr Horst Tögel from Germany, former member of the Council of Fondation Paix 21) and main coordinator of the Festival, is Roselyne Crausaz Németh, who is also President and co-founder, in 2005, of the Swiss **FONDATION PAIX 21**, CH-Fribourg, (www.fondation-paix21.ch), owner of the festival. The Fondation Paix 21 organizes a festival in a different country every three years and chooses a partner. For the festival in Korea, the partner is **KOJEDO AIKWANGWON FOUNDATION, KOJEDO AIKWANGWON.**

The aim of the festival is to give integrated artistic teams the opportunity to meet each other and to showcase themselves internationally. Besides the artists' performances, community programs foster good feelings by creating bonds across borders.

The festival welcomes around 150/200 disabled and healthy young artists in mixed groups. These groups of artists, musicians and dancers will come from different countries (for example Korea, Hungary, Germany, Italy, Ukraina, Switzerland, Turkey etc.) to Korea in the autumn of 2021 to

play music together and give several concerts. Some of them are well known locally, in their countries and are eager to entertain an international audience.

The event will be held basically at **KOJEDO AIKWANGWON**, but also in Jangseungspo, Geoje-City, Gyeongnam.
